

Singing BOOK 4 Sherlock

Word sheet

Blackpool

Chorus 1

Contemplating going off to Blackpool,
Contemplating taking in the air.
Sitting on the shingle by the seashore,
Better say that line with extra care.

Verse 1

Kiss me quick (kiss, kiss)
And lots of candy floss to eat.
Feeling sick (ugh, ugh)
And don't forget your coat and umbrella,
Have you seen the fortune teller?
Contemplating going off to Blackpool,
Contemplating taking in the air.

Chorus 2

Contemplating going off to Blackpool,
Contemplating taking in the air.
Listen to the organ in the tower,
Getting nice and brown where I am bare!

Verse 2

Donkey rides (ee-or),
And Punch and Judy on the beach
(‘Ello Mister Punch!),
Scampi fired (mm, mm),
It really is the place we should be going,
Let's just hope that it's not snowing.
Contemplating going off to Blackpool,
Contemplating taking in the air.

Verse 3

Dodgem cars (bash, bash),
And knotted hankies on your head.
Fish in jars (splish, splash),
We want to put them back so call the coast guard,
Don't forget the naughty postcards.
Contemplating going off to Blackpool,
Contemplating taking in the air.

La la la la, la la la la la la,
La la la la la la la la la la la la la la.
La la la la la la la la la la la la la la,
La la.

(Repeat Chorus 1 and Verse 1 to end)
