

Singing BOOK 4 Sherlock

Word sheet

Chocolate Dreams

Verse 1

Feeling blue,
Nothing new,
There is only one thing to do to lighten up,
Brighten up,
That's dream,
Chocolate dreams.

Verse 2

Got an ache,
Need a break,
There is only one thing to do to smile again,
Laugh again,
That's dream,
Chocolate dreams.

Chorus 1

Scrummy in a cheese cake,
Yummy in milkshake,
Pour it in a sauce on vanilla ice cream.
Lick it off a biscuit,
In a soufflé whisk it,
All you have to do is dream,
Chocolate dreams.

Verse 3

Feeling down,
Got a frown,
There is only one thing to drown your woes and
sighs,
Close your eyes,
And dream,
Chocolate dreams.

Verse 4

In the glums,
Overcome,
There is only one thing to numb your misery,
Despondency,
That's dream,
Chocolate dreams.

Chorus 2

Chunk it up with toffee,
Dunk it in your coffee,
Spread with peanut butter is rather extreme.
Crunchy, crisp or chewy,
Munchy, mint or gooey,
All you have to do is dream,
Chocolate dreams.

Dream,
Chocolate dreams.
